Ref.: **Aircraft inspection validity**

Dear mr. Colindres:

This is to confirm that the airworthiness inspections performed by the DCA Aruba are valid for a period of 30 days.

This means, among others, that if a new to be registered aircraft is inspected and not registered within 30 after that inspection it will require a re-inspection by the DCA of Aruba.

If you have questions concerning the above please do not hesitate to contact our Department.

Sincerely,

  
ing Chirles Dammers
